Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 46th AGM held on 25 May 2022, the Company had obtained a general mandate from its shareholders for the Company and its subsidiaries to enter into Recurrent Related Party Transactions with Related Parties that are necessary for the day-to-day operations and are in the ordinary course of business carried out on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public.

Pursuant to Paragraph 3.1.4 of Practice Note 12 of the Listing Requirements, the Proposed Shareholders' Mandate, if approved by the shareholders of ABB, will take effect from the date of the passing of the ordinary resolution proposed at the forthcoming 47th AGM and shall apply until:

- (i) the conclusion of the next AGM of the Company, at which time it will lapse, unless by a resolution passed at the said AGM, whereby the authority is renewed; or
- (ii) the expiration of the period within which the next AGM is to be held, pursuant to Section 340(2) of the Act, (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders of ABB in a general meeting;

whichever is earlier.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH THE DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE AND TO SEEK YOUR APPROVAL FOR THE RESOLUTION PERTAINING THERETO TO BE TABLED AT THE FORTHCOMING AGM. AN EXTRACT OF THE NOTICE OF THE AGM IS ENCLOSED IN THIS CIRCULAR FOR YOUR EASE OF REFERENCE.

YOU ARE ADVISED TO READ THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION IN RELATION TO THE PROPOSED SHAREHOLDERS' MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

2.3 The outstanding amount owing by Related Parties pursuant to Recurrent Related Party Transactions

There were neither amounts owing by the Related Parties to ABB Group as at LPD which exceeded the credit terms nor any late payment charges imposed on them pursuant to the Recurrent Related Party Transactions.

2.4 Basis of estimates

The abovementioned estimated values in respect of each transaction referred to above are based on prevailing prices obtained from the Related Parties which are reasonable market-competitive prices and are derived from the sums incurred or received during the past year, based on the normal level of transactions entered into by the Group. The estimated amounts are further based on the assumptions that current level of operations will continue, and all external conditions remain constant.

2.5 Review procedures in relation to Recurrent Related Party Transactions

The ABB Group has internal control systems to ensure that the Recurrent Related Party Transactions are undertaken on an arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are not more favourable to the Related Parties than those extended to third parties/public and are not to the detriment of the minority shareholders.

To monitor the Recurrent Related Party Transactions, the procedures adopted by the ABB Group are as follows:

- (a) a list of the Related Parties is circulated within the ABB Group and all Related Parties are notified that all Recurrent Related Party Transactions are required to be undertaken on normal commercial terms;
- (b) the Recurrent Related Party Transactions would be reviewed by the senior management of ABB or its subsidiary companies before they are entered into to ensure that the terms are not more favourable than those generally available to the public;
- (c) at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities;

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Group Board Audit Committee in its review of the Recurrent Related Party Transactions may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers and that the Recurrent Related Party Transactions are not detrimental to the ABB Group;

- (d) the annual internal audit plan shall incorporate a review of all Recurrent Related Party Transactions entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals from the Board and shareholders have been obtained and review procedures are followed;
- (e) the Board and the Group Board Audit Committee shall review the internal audit reports to ascertain that the procedures established to monitor Recurrent Related Party Transactions have been complied with;

- (f) if a member of the Board or of the Group Board Audit Committee has an interest in any Recurrent Related Party Transactions, as the case may be, he/she shall abstain from any deliberation and decision making by the Board or Group Board Audit Committee in respect of the said transactions;
- (g) There are no specific thresholds for approval of Recurrent Related Party Transactions within the ABB Group. However, all Recurrent Related Party Transactions are subject to the approval of the appropriate levels of authority as determined by senior management and/or the Board from time to time, subject to the provisions in the Listing Requirements and/or the Act, where necessary;
- (h) a register shall be maintained by the Company to record all Recurrent Related Party Transactions entered into pursuant to the Proposed Shareholders' Mandate; and
- (i) save as stated above, the transaction prices, terms and conditions are determined by market forces and are comparable to those applicable transactions with the public, which depend on the demand and supply of the products and services. The rental of the properties is determined by negotiated rates, after taking into account the prevailing market rates for the same or substantially similar properties in terms of space occupied and amenities/facilities offered and are on normal commercial terms.

2.6 Group Board Audit Committee Statement

The Group Board Audit Committee has seen and reviewed the procedures mentioned in Section 2.5 above and is satisfied that the review procedures for the Recurrent Related Party Transactions, as well as the annual review to be made by the Board Audit Committee in relation thereto, are sufficient to ensure that the Recurrent Related Party Transactions:

- (a) will be made at arm's length and in accordance with the Company's normal commercial terms; and
- (b) not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders and the Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner.

The Group Board Audit Committee shall annually review the Recurrent Related Party Transactions and also review the established guidelines and procedures to ascertain that they have been complied. If during the periodic review, the Group Board Audit Committee is of the opinion that the guidelines and procedures are not sufficient to ensure that the Recurrent Related Party Transactions will be conducted at arm's length basis and on normal commercial terms in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public and will not be prejudicial to the shareholders or disadvantageous to the Company, the Company will obtain a fresh shareholders' mandate based on new guidelines and procedures.

2.7 Disclosure in Annual Report

Disclosure will be made in the Company's annual report in respect of transactions conducted pursuant to the Proposed Shareholders' Mandate. In accordance with applicable approved accounting standards in Malaysia and Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, the annual report will set out a breakdown of the aggregate value of the Recurrent Related Party Transactions made during the financial year, amongst others, based on the following information:

- (a) the type of the Recurrent Related Party Transactions made; and
- (b) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the Company.

2.8 Effects of the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate is not expected to have any material effects on the earnings per share and net assets at the Group level, issued and paid-up share capital and substantial shareholders' shareholdings of the Company.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The rationale for the Proposed Shareholders' Mandate is as follows:

- (a) the Proposed Shareholders' Mandate will empower the Company and/or its subsidiaries to enter into transactions with Related Parties which are necessary in day-to-day operations of the Group, undertaken at arm's length, normal commercial terms, on terms not more favourable to the Related Party than those generally made available to the public and are not detrimental to the minority shareholders;
- (b) the Proposed Shareholders' Mandate will substantially reduce the expenses associated with convening of general meetings on ad-hoc basis and hence will reduce the expenses associated therewith; and
- (c) the Recurrent Related Party Transactions entered into by the Group are intended to meet business needs at the best possible terms which will be of benefit to all the companies within the ABB Group.
