Dividend Reinvestment Plan Statement

(Abbreviations and definitions, unless where the context requires otherwise, shall be as set out in Section 2 of the Terms and Conditions (as defined below) governing this Dividend Reinvestment Plan Statement)

This DRP Statement contains the Terms and Conditions of the DRP of ABB under which the Shareholders on the Books Closure Date may, in relation to any Dividend(s), be given the Reinvestment Option as the Board may, at its absolute discretion, make available ("**Dividend Reinvestment Plan**" or "**DRP**").

SUMMARY OF THE MAIN FEATURES OF THE DRP

The DRP will provide Shareholders with an opportunity to reinvest their Dividends in New Shares in lieu of receiving cash.

In relation to any Dividends declared, the Board may, at its absolute discretion, determine whether to offer the Shareholders a Reinvestment Option to reinvest all or part of such Dividends in New Shares (i.e. the Electable Portion) and where applicable, any remaining portion of the Dividend will be paid in cash. Shareholders should note that ABB is not obliged to undertake the DRP for every Dividend declared.

Unless the Board has determined that the DRP will apply to a particular Dividend (whether in whole or in part), all Dividends as may be declared by ABB will be paid wholly in cash to the Shareholders in the usual manner.

The Board may, in its absolute discretion, declare a Dividend and determine whether to offer the Reinvestment Option to the Shareholders and where the Electable Portion is not reinvested by the Shareholders in whole, any remaining portion of the Dividend will be paid in cash.

In respect of the Electable Portion, each Shareholder has the following options:

- Option 1** to elect to exercise the Reinvestment Option by reinvesting the entire Electable Portion into New Shares at the Issue Price and to receive the Cash Portion, if applicable;
- Option 2** to elect to exercise the Reinvestment Option by reinvesting part of the Electable Portion into New Shares at the Issue Price and to receive the Cash Portion, if applicable; or
- Option 3** to elect not to exercise the Reinvestment Option and thereby receive the entire Dividend entitlement in cash.

ABB will issue New Shares to the Shareholders who elect to exercise the Reinvestment Option under the DRP. Approval for the listing of and quotation for the New Shares on the Main Market of Bursa Securities will be sought from Bursa Securities pursuant to each and every Dividend to which the DRP applies. Announcement of the Price-Fixing Date and Books Closure Date will be made after receipt of the said approval from Bursa Securities and such other relevant approval, if any.

The Issue Price shall be determined after taking into consideration the following:

- (a) 5-Market Days of VWAP of ABB Shares immediately prior to the Price-Fixing Date;
- (b) a Dividend adjustment to the 5-Market Days of VWAP of ABB Shares (“**Ex-Dividend VWAP**”);
and
- (c) a discount of not more than 10% after the Ex-Dividend VWAP.

Subsequent to the Books Closure Date, a Notice of Election will be sent to the Shareholders by means of electronic communication via email in softcopy to Shareholders who have their email address registered with their CDS account. Otherwise, a hardcopy would be sent by ordinary mail to the Shareholders who do not have an email address registered with their CDS account.

Instructions will be provided in the Notice of Election in respect of the action to be taken by the Participating Shareholders. Participating Shareholders may elect to exercise their Reinvestment Option manually through submission of hardcopy of DRF contained in the Notice of Election or electronically via TIIH Online or via Bursa Anywhere mobile application. Please refer to **Section 7** of this DRP Statement for instructions as well as the terms and conditions of the submission of the hard copy of DRF or electronically via TIIH Online, Bursa Anywhere or NRS.

There are no brokerage fee and other related transaction costs payable by Participating Shareholders on the New Shares allotted (unless otherwise provided by any statute, law or regulation) except for stamp duty of RM10 pursuant to Section 4(1) of the Stamp Act 1949. In the event any individual Participating Shareholders confirms his/her election via TIIH Online or Bursa Anywhere, a handling fee is chargeable in addition to the stamp duty. The mode of payment of the stamp duty and handling fee is via online payment gateway.

Shareholders will receive the Electable Portion in cash if they do not expressly elect in writing or electronically via TIIH Online or Bursa Anywhere to participate in the DRP according to its Terms and Conditions. As such, Shareholders need not take any action with regard to the Notice of Election if they wish to receive their Electable Portion wholly in cash.

Notices of allotment or electronic notice of allotment will be sent on the Allotment Date to the Participating Shareholders. The New Shares will not be underwritten and will be credited directly into the respective CDS accounts of the Participating Shareholders.

In accordance with Paragraph 6.09 of the Listing Requirements, the Allotment Date of the New Shares will occur within 8 Market Days from the Expiry Date or such other date as may be prescribed by Bursa Securities, provided always that the completed DRF or e-DRF via TIIH Online are received by the Share Registrar or completed electronic DRP application submitted via Bursa Anywhere no later than the Expiry Date. A DRF to participate in the DRP in any other form will not be accepted by the Bank.

All Shareholders are eligible to participate in the DRP subject to the restrictions described in the following section.

(The rest of this page has been intentionally left blank)

HOW TO PARTICIPATE

Participation in the DRP is optional and not transferable. A Shareholder wishing to reinvest in New Shares in respect of any Electable Portion must complete the DRF and return it to the Share Registrar or complete the DRF electronically via TIIH Online or via Bursa Anywhere (under eDRP) in accordance with the instructions as prescribed therein.

A Shareholder receiving more than one DRF (contained in the Notice of Election) and wishing to reinvest in the New Shares in respect of all or part of his/her entitlement to the Electable Portion must complete all the DRFs (contained in the Notices of Election) received by him/her and return the completed DRFs to the Share Registrar or complete all e-DRFs via TIIH Online or Bursa Anywhere in accordance with the instructions as prescribed therein. Shareholders should note that they are at liberty to decide which particular Notice of Election they wish to elect for the reinvestment in New Shares. Where any particular Notice of Election is not elected upon or not received by the Share Registrar by the Expiry Date, the Dividend relating thereto will be received in cash by the Shareholders in the usual manner.

Shareholders who are Authorised Nominees wishing to reinvest in New Shares in respect of all or part of their entitlement to the Electable Portion may submit their DRF electronically via the NRS for each of their eligible CDS accounts.

To be effective in respect of any exercise of the Reinvestment Option to which a Notice of Election (including the DRF) relates, such duly completed and signed DRF (contained in the Notice of Election) must be received by the Share Registrar or completed eDRP via Bursa Anywhere or the completed e-DRF via TIIH Online must be received by the Share Registrar, no later than the Expiry Date stated in the Notice of Election in respect of that particular Reinvestment Option.

All Shareholders are eligible to participate in the DRP, provided that:

- (a) such participation will not result in a breach of any restrictions on their holding of ABB Shares which may be imposed by any of their contractual obligations, or by any statute, law or regulation in force in Malaysia or any other relevant jurisdiction, or by any relevant authorities as the case may be (unless the requisite approval under the relevant statute, law or regulation or from the relevant authorities is first obtained or the relevant contractual obligation is otherwise waived in accordance with the terms and conditions of the relevant contracts); and
- (b) there are no restrictions for such participation as prescribed in the Constitution of ABB.

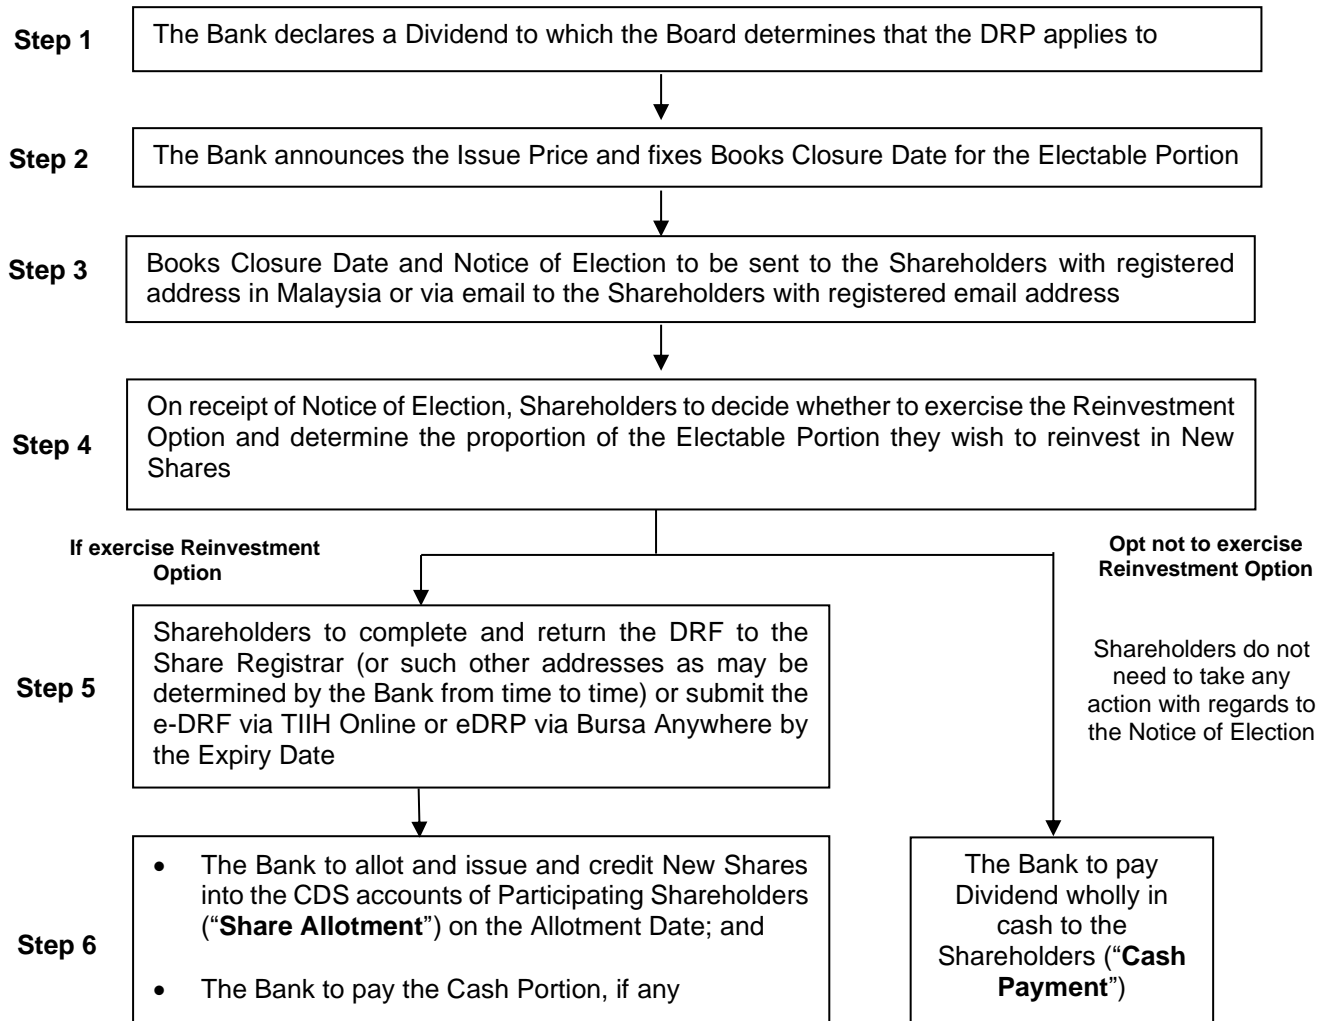

The Notice of Election (including the DRF) will not be sent to Foreign Addressed Shareholders to avoid any violation on the part of the Bank of any securities laws applicable outside Malaysia. Please refer to **Section 4** of this DRP Statement for Foreign Addressed Shareholders.

Shareholders who currently do not have a registered address in Malaysia and who wish to participate in the DRP may collect the Notice of Election and other documents relating to the DRP from the Share Registrar, Tricor Investor & Issuing House Services Sdn Bhd at Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia, in which event, the Share Registrar is entitled to satisfy themselves as to the identity and authority of the person collecting the documents relating to the DRP; or alternatively provide the Share Registrar with an address in Malaysia not later than 3 Market Days prior to the Books Closure Date for the Dividend to which the DRP applies.

Shareholders should note that under the DRP:

- (a) in exercising the Reinvestment Option, they are at their liberty to reinvest the entire or in part the Electable Portion to which a Notice of Election relates, either via the DRF or e-DRF via TIIH Online or submit the eDRP via Bursa Anywhere; and
- (b) their right to exercise the Reinvestment Option is non-transferable.

The process flow chart in relation to how the DRP is to be administered is shown below.

Note:

In respect of Step 6, the Share Allotment and payment of Cash Portion or the Cash Payment (where applicable) will occur on the same day, which will be within 1 month from the Books Closure Date and in any event, within 3 months from the date of the declaration of the Dividend or the date on which the approval is obtained in annual general meeting of ABB, whichever is applicable.

- (c) multiple submissions in relation to the same CDS account, or those appearing to be, or suspected of being multiple submissions in relation to the same CDS account, may be rejected at the discretion of the Board, and such Registered Shareholders shall be treated as having elected to receive their Electable Portion entitlement in cash;

- (viii) the Bank and/or the Share Registrar reserves the right not to accept or accept any e-DRF, in part or in full without assigning reason;
- (ix) any invalid or rejected e-DRF shall be treated as having elected to receive the Dividend entitlement in cash;
- (x) he/she acknowledges that the Bank has not provided the Participating Shareholder with investment advice or any other advice; and
- (xi) any e-DRF received by the Share Registrar after the Expiry Date shall be regarded as null and void and of no legal effect, unless the Board at its sole discretion determines otherwise, and such Registered Shareholder who is entitled to the Dividend based on his/her entitlement on the Books Closure Date, as the case may be, shall be deemed to have elected to receive their Dividend entitlement in cash.

- (f) You acknowledge that your application via NRS is subject to the risks of electrical, electronic, technical, transmission, communication and computer-related faults and breakdowns, fires and other events beyond the control of the Bank, the Share Registrar, the relevant financial institution or Bursa Depository, and irrevocably agree that if:
 - (i) the Bank, the Share Registrar or Bursa Depository does not receive your application via NRS; or

- (iii) You agree that in relation to any legal action, proceedings or dispute arising out of or in relation to the contract between the parties and/or the application via NRS and/or any terms herein, all rights, obligations and liabilities shall be construed and determined in accordance with the laws of Malaysia and with all directives, rules, regulations and notices from regulatory bodies and that you irrevocably submit to the exclusive jurisdiction of the Courts of Malaysia.
- (h) The Share Registrar and Bursa Depository, on the authority of the Bank, reserves the right to reject applications which do not conform to these instructions.
- (i) Any invalid or rejected electronic election shall be treated as having elected to receive the Dividend entitlement in cash;
- (j) By electing the Electable Portion, the Registered Shareholder, if successful, requests and authorises Bursa Depository to credit the New Shares allotted to the CDS account as stated in the Record of Depositors as at the Books Closure Date.

Irrespective of whether an election is made by Shareholders to exercise the Reinvestment Option, a tax voucher will be sent to all Shareholders for income tax purposes. Shareholders will be regarded as having received a cash distribution equivalent to the amount of the Dividend declared. Hence, the election for the Reinvestment Option does not relieve the Shareholder of any income tax obligation (if applicable) and there is no tax advantage to be gained in exercising the Reinvestment Option or otherwise.

An announcement will also be made on the listing of and quotation for the New Shares to be issued pursuant to the DRP on the Main Market of Bursa Securities.

Shareholders will receive the Electable Portion in cash if they do not expressly elect in writing to exercise the Reinvestment Option by the Expiry Date. As such, Shareholders who wish to receive their Dividends wholly in cash need not take any action with regards to the DRF or e-DRF via TIIH Online, or eDRP via Bursa Anywhere.

8. EXTENT OF APPLICATION OF DRP TO EACH ELECTABLE PORTION

The Board may, at its absolute discretion, determine in respect of any Dividend, whether the DRP shall apply and if so, whether the Electable Portion is for the entire or a portion of the Dividend. If the Board has, in its absolute discretion, determined that the DRP is not applicable to a particular Dividend, such Dividend shall be paid in cash to the Shareholders in the usual manner.

9. SHARE ENTITLEMENT

By electing to participate in the DRP in respect of any Notice of Election received by him/her, a Shareholder elects to reinvest the entire Electable Portion or part thereof to which such Notice of Election relates.

In respect of any Electable Portion, the number of New Shares to be allotted and issued to the Participating Shareholder electing to reinvest the entire Electable Portion or part thereof in New Shares in respect of a Notice of Election shall be calculated in accordance with the following formula:

$$N = \frac{S \times D \times W}{V}$$

Where:

N = is the number of New Shares to be allotted and issued as fully paid-up to the Participating Shareholder in respect of such Notice of Election.

S = is the number of Participating Shares held by the Participating Shareholder as at the Books Closure Date in respect of which Notice of Election relates.

D = Amount of Dividend declared for each ABB Share (after deduction of applicable income tax, if any), expressed in RM, for which the Reinvestment Option applies.

W = is the proportion of the Electable Portion chosen by the Participating Shareholder to be reinvested in New Shares in which the Participating Shareholder is entitled to exercise the Reinvestment Option, expressed in percentage.

V = is the Issue Price, which, for the purpose of the DRP, shall be an amount in RM as determined by the Board based on the adjusted VWAP for the 5-Market Days immediately prior to a Price-Fixing Date after applying a discount of not more than 10%. The VWAP shall be adjusted ex-dividend before applying the aforementioned discount in fixing the Issue Price.

Any fractional entitlement of New Shares calculated in accordance to the above formula will be paid to the Participating Shareholders in cash in the usual manner.

On 29 February 2024, the Board declared a single-tier final dividend in respect of the financial year ended 31 December 2023 of RM0.0576 per ABB Share ("**Final Dividend**"). The Board had also determined that the DRP shall apply to this Final Dividend, where 100% of the Final Dividend can be elected to be reinvested into new ABB Shares.

Pursuant to the DRP, in the event that all Shareholders elect to reinvest their entire Electable Portion into New Shares, the total number of New Shares that would have been issued will be up to 62,112,926 ABB Shares, which represents approximately up to 2.65% of the total issued share capital of ABB as at the Books Closure Date.

The percentage shareholding of a Shareholder in ABB will be diluted should he/she not exercise his/her Reinvestment Option. However, the extent of the dilution will depend on the number of New Shares issued by ABB pursuant to the level of exercise of the Reinvestment Option by the other Shareholders as a whole.

Examples

Scenario 1 - Assuming a Participating Shareholder holds 1,000 ABB Shares as at the Books Closure Date and decides to reinvest the entire Electable Portion into New Shares

Assuming a Participating Shareholder holds 1,000 ABB Shares as at the Books Closure Date and he/she decides to reinvest the entire Electable Portion based on his/her entitlement for the Electable Portion as at the Books Closure Date, the number of New Shares to be allotted to him/her will be calculated as follows:

$$\begin{aligned} N &= \frac{S \times D \times W}{V} \\ N &= \frac{1,000 \times \text{RM}0.0576 \times 100\%}{\text{RM}2.176} \\ &= 26 \text{ New Shares (rounded down to the nearest unit)} \end{aligned}$$

The balance of the Electable Portion of RM1.02 will be paid to the Participating Shareholder in cash in the usual manner.

	RM
Electable Portion of RM0.0576 per ABB Share held	57.60
Less: Amount payable for reinvestment at RM2.176 per ABB Share (26 New Shares x RM2.176)	56.58
Balance of the Electable Portion payable in cash	<u>1.02</u>

Scenario 2 - Assuming a Participating Shareholder holds 1,000 ABB Shares as at the Books Closure Date and decides to reinvest part of the Electable Portion into New Shares

Assuming a Participating Shareholder holds 1,000 ABB Shares as at the Books Closure Date and he/she decides to reinvest part of his/her Electable Portion and subscribe for 20 New Shares based on his/her entitlement for the Electable Portion as at the Books Closure Date, his/her balance of the Electable Portion is as follows:

$$\begin{aligned} B &= (S \times D) - (A \times V) \\ B &= (1,000 \times \text{RM}0.0576) - (20 \times \text{RM}2.176) \\ &= \text{RM}57.60 - \text{RM}43.52 \\ &= \text{RM}14.08 \end{aligned}$$

Where:

- B = is the balance of the Electable Portion in respect of such Notice of Election.
- S = is the number of Participating Shares held by the Participating Shareholder as at the Books Closure Date in respect of which Notice of Election relates.
- D = Amount of Dividend declared for each ABB Share (after deduction of applicable income tax, if any), expressed in RM, for which the Reinvestment Option applies.
- A = is the number of New Shares that the Participating Shareholder elects to subscribe for in respect of the Electable Portion to which such Notice of Election relates.

V = is the Issue Price, which, for the purpose of the DRP, shall be an amount in RM as determined by the Board based on the adjusted VWAP for the 5-Market Days immediately prior to a Price-Fixing Date after applying a discount of not more than 10%. The VWAP shall be adjusted ex-dividend before applying the aforementioned discount in fixing the Issue Price.

Based on the above calculation, the table below shows the total cash amount payable to the Participating Shareholder based on his/her election:

	RM
Electable Portion of RM0.0576 per ABB Share held	57.60
Less: Amount payable for reinvestment at RM2.176 per ABB Share (20 New Shares x RM2.176)	43.52
Balance of the Electable Portion payable in cash	<u>14.08</u>

10. TERMS OF ALLOTMENT

Unless the Board otherwise determines, all New Shares allotted under the DRP will be allotted as fully paid-up. All such New Shares shall upon allotment and issuance, rank *pari passu* in all respects with the existing ABB Shares, except that the holders of New Shares shall not be entitled to any Dividends, rights, allotments and/or other distributions which may be declared, made or paid preceding the date of allotment of the New Shares.

As the New Shares to be issued pursuant to the DRP are prescribed securities, the New Shares will be credited directly into the respective CDS accounts of Participating Shareholders. No physical share certificates will be issued.

11. ODD LOTS AND FRACTIONAL SHARES

A Shareholder who exercises the Reinvestment Option may be allotted New Shares in odd lots depending on his/her entitlement of the New Shares. Shareholders who receive odd lots of New Shares and who wish to trade such odd lots on Bursa Securities may do so in the Odd Lot Market, which allows trading of odd lots (with a minimum of 1 ABB Share).

A Shareholder who does not wish to receive New Shares in odd lots may round down the number of New Shares elected such that he/she will receive New Shares in multiples of and not less than a board lot comprising 100 New Shares. Where a Shareholder's entitlement of New Shares is less than 1 board lot, the Shareholder can elect to receive his/her entire Dividend entitlement in cash or New Shares in odd lots.

Under the DRP, Shareholders who elect to exercise the Reinvestment Option shall not be allotted fractional shares. As such, the amount of Dividend relating to such fractional of shares will be paid in cash to the Shareholders in the usual manner.

12. NOTIFICATION TO PARTICIPATING SHAREHOLDERS

After the Books Closure Date, the Bank shall transfer funds amounting to the total payment of Dividend from its account to the Dividend Payment Account held in trust for Shareholders.

After such transfer of funds, the Dividend in the Dividend Payment Account will be paid and dealt with as follows:

- (a) in respect of Shareholders who elect to exercise their Reinvestment Option:

- (i) their entire Electable Portion or part thereof, which such Shareholders elect to reinvest in New Shares will be paid to, and reinvested in, the Bank for New Shares; and
 - (ii) receive the Cash Portion, if applicable.
- (b) in respect of the Shareholders who do not exercise their Reinvestment Option, their entire Dividend will be received in cash.

Thereafter, on the Allotment Date, New Shares will be allotted and issued and notices of allotment will be sent to Shareholders who have elected to exercise their Reinvestment Option.

An announcement will also be made on the listing of and quotation for the New Shares to be issued pursuant to the exercise by the Shareholders of the Reinvestment Option on the Main Market of Bursa Securities.

If Shareholders do not expressly elect in writing (i.e. by signing and returning the DRF in accordance with the instructions stated therein) or electronically via TIIH Online to exercise the Reinvestment Option or submit electronic DRP application via Bursa Anywhere by the Expiry Date, their Dividends will not be reinvested in New Shares and they will receive their Dividends in cash in the usual manner from the Dividend Payment Account. As such, Shareholders who do not wish to reinvest their Dividends in New Shares need not take any action with regards to the Notice of Election.

13. COST TO THE PARTICIPATING SHAREHOLDERS

The New Shares will be issued free from any brokerage or fees to Participating Shareholders unless otherwise provided by any statute, law or regulation. However, the Participating Shareholders are required to pay RM10.00 for the stamp duty. In addition, a handling fee (inclusive of 0% sales and services tax) of RM5.00 for an individual Registered Shareholder or RM2.00 for a corporation or institutional Registered Shareholder is payable to the Share Registrar for each e-DRF submitted via TIIH Online. Further, a processing fee (inclusive of 0% sales and services tax) of RM4.00 is payable to Bursa Depository for each eDRP via Bursa Anywhere and RM2.00 (Authorised Nominees) is payable to Bursa Depository for each CDS account in the DRP Subscription File through NRS.

14. CANCELLATION OF APPLICATION OF THE DRP

Notwithstanding any other provisions, Terms and Conditions of the DRP set out herein or otherwise and irrespective of whether an election to exercise the Reinvestment Option has been made, if at any time after the Board has determined that the DRP shall apply to any Dividend and before the allotment and issuance of New Shares in respect of the Electable Portion reinvested, the Board shall consider that by reason of any event or circumstance (whether arising before or after such determination) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement the DRP in respect of the Electable Portion, the Board may, at its absolute discretion and as it deems fit and in the interest of the Bank and without assigning any reason thereof, cancel the application of the DRP to the Electable Portion subject to any requirement or provision imposed by any statute, law or regulation in force in Malaysia, as the case may be. In such event, the Electable Portion shall be received in cash by Shareholders in the usual manner.

15. MODIFICATION, SUSPENSION AND TERMINATION OF THE DRP

Subject to any requirement or provision imposed by any statute, law or regulation in force in Malaysia, as the case may be, the DRP (including the Terms and Conditions) may be modified, suspended (in whole or in part) or terminated at any time by the Board as it deems fit or expedient by giving notice to the Shareholders in such manner as it deems fit, notwithstanding any other provisions, the Terms and Conditions of the DRP set out herein, or otherwise, and irrespective of whether an election to exercise the Reinvestment Option has been made.

In the case of a suspension, the DRP will be suspended in whole or in part, as the case may be, until such time as the Board resolves to recommence or terminate the DRP. If the DRP is recommenced, the Participating Shareholders' Notice of Election confirming their participation under the previously suspended DRP will be valid and have full force and effect in accordance with these Terms and Conditions and any directions, terms and conditions to Shareholders for such recommencement of the DRP which may be notified to all Shareholders.

16. GENERAL ADMINISTRATION OF THE DRP

The Board may implement the DRP in any manner it deems fit. The Board has the power to:

- (a) determine procedures, rules and regulations for administration of the DRP consistent with these Terms and Conditions, as may be amended or modified from time to time;
- (b) settle in such manner as they think fit, any difficulty, anomaly or dispute (including relating to the interpretation of any provision, regulation or procedure or as to any rights under the DRP) which may arise in connection with the DRP, whether generally or in relation to any Participating Shareholder or any ABB Share and the determination of the Board will be conclusive and binding on all Shareholders and other persons to whom the determination relates;
- (c) delegate to any one or more persons, for such period and on such conditions as the Board may determine, the exercise of any of its powers or discretion under or in respect of the DRP and references to a decision, opinion or determination of the Board include a reference to the decision, opinion or determination of the person or persons to whom the Board has delegated its authority for the purposes of administering the DRP; and
- (d) waive strict compliance by the Bank or any Shareholders with any of these Terms and Conditions.

17. IMPLICATION OF THE RULES AND OTHER SHAREHOLDING LIMITS

(a) The Rules

Under Paragraph 4.01 of the Rules and Section 217 of the Capital Markets and Services Act, 2007, a Shareholder will, subject to any exemptions from the Securities Commission Malaysia, be under an obligation to extend a take-over offer for the remaining shares in ABB not already owned by him and persons acting in concert with him/her, if by participating in the DRP:

- (i) he/she, together with persons acting in concert with him/her (collectively, the “**Affected Party**”) acquire or hold or are entitled to exercise or control the exercise of 33% or more of the voting shares or voting rights of ABB; or
- (ii) where the Affected Party holds more than 33% but not more than 50% of the voting shares or voting rights of ABB and the Affected Party acquires more than 2% of the voting shares or voting rights of ABB in any period of 6 months.

If any of the circumstances above apply, the Affected Party may make an application to the Securities Commission Malaysia for a waiver from the obligation to undertake a mandatory offer pursuant to the Rules prior to them exercising the Reinvestment Option.

The statements herein do not purport to be a comprehensive or exhaustive description of all the relevant provisions of, or all implications that may arise under the Rules or other relevant legislation or regulations. Shareholders who are in doubt as to whether they would incur any obligation to make a take-over offer under the Rules as a result of any subscription of ABB Shares through their participation in the DRP are advised to consult their professional advisers at the earliest opportunity.

(b) Other shareholding limits

ABB is a financial services company with activities in banking and related financial services as well as the holding company of other financial services companies which are involved in *inter-alia*, investment banking, Islamic banking, money broking. ABB and its subsidiaries are regulated entities with shareholding limitations prescribed by the Financial Services Act 2013 (“**FSA 2013**”) and the Islamic Financial Services Act 2013 (“**IFSA 2013**”). In the event any of the shareholding limits as prescribed by FSA 2013 and IFSA 2013 are expected to be breached with respect to any Shareholder (whether alone or together with any party acting in concert or associate) as a result of the exercise of the Reinvestment Option, the relevant Shareholders shall be required to make the necessary application to Bank Negara Malaysia prior to them electing to participate and reinvest the entire Electable Portion or part thereof.

Shareholders are also reminded to ensure that their participation will not result in the breach of any restrictions on their respective holding of ABB Shares which may be imposed by any contractual obligation of Shareholders, or by statute, law or regulation in force in Malaysia or any other relevant jurisdiction, or by any relevant authorities, as the case may be (unless the requisite approvals under the relevant law, statute or regulation or from the relevant authorities are first obtained), or as prescribed in ABB's Constitution.

Additionally, ABB is required to comply with the public shareholding spread requirement prescribed by the Listing Requirements or any other public shareholding requirement as imposed by Bursa Securities at any time.

In view of the shareholding limits and public shareholding spread requirement referred to above, notwithstanding the proportion of Electable Portion which may be determined to be reinvested, the Board shall be entitled, but not obligated, to reduce or limit the number of New Shares to be allotted and issued to any Shareholder should the Board be aware or be informed of any expected breach of such shareholding limits and/or the public shareholding spread requirement as a result of the exercise of the Reinvestment Option by such Shareholder.

18. GOVERNING LAW

This DRP Statement, the DRP and the Terms and Conditions thereof shall be governed by and construed in accordance with the laws of Malaysia.

19. NOTICES AND STATEMENTS

Unless otherwise provided in these Terms and Conditions, any notices, documents and statements required to be given by the Bank to a Participating Shareholder shall be given in accordance with provisions of the Bank's Constitution.

20. **DISCLAIMER**

Notwithstanding any other provisions, the directors and the Bank, including any of its subsidiaries, related and associated companies and its respective directors, officers, employees, agents, affiliates and representatives, shall not, under any circumstances, be held liable for any damage, cost, loss and expense whatsoever and howsoever arising or incurred or suffered by any person including any Shareholder arising out of or in connection with the DRP including:

- (a) any obligation of any Shareholder to undertake a mandatory offer as a result of the DRP;
